

Artikel Nr.: 940031

Weipu HQ 12/24/48V Einspeisekabel 5-polig

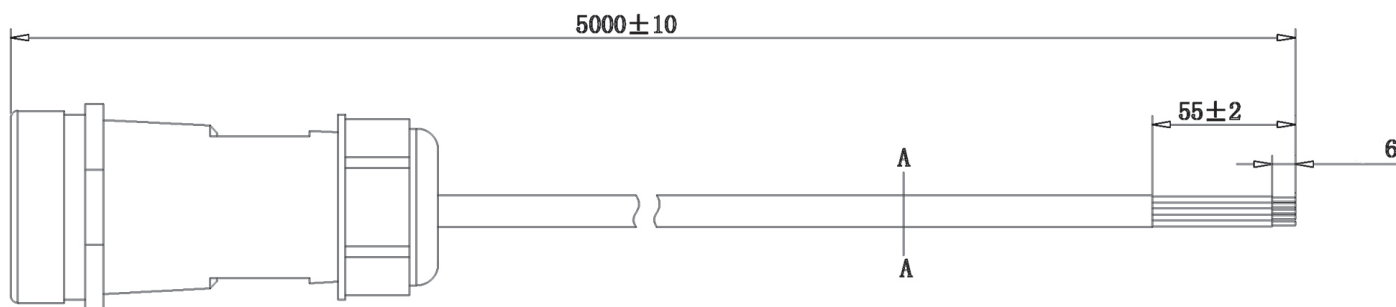

### Technische Daten

|                      |                        |                 |            |
|----------------------|------------------------|-----------------|------------|
| Betriebsart          | spannungskonstant (CV) | Anzahl Kanäle   | 4          |
| Eingangsspannung     | 12/24/48V DC           | IP Schutzklasse | IP67       |
| Anschlussmöglichkeit | Weipu weiblich         | Länge           | 5000 mm    |
| Schutzklasse         | III                    | Material        | Kunststoff |

- 1 Rot / red / 24V DC-
- 2 Grün / green / 24V DC-
- 3 Blau / blue / 24V DC-
- 4 Schwarz / black / 24V DC+
- 5 Weiß / white / 24V DC-

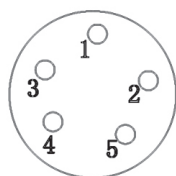

**Article no.: 940031**

Weipu HQ 12/24/48V feeder cable 5-pole

**Technical Data**

|                        |                        |                    |            |
|------------------------|------------------------|--------------------|------------|
| Operating mode         | spannungskonstant (CV) | Number of channels | 4          |
| Input Voltage          | 12/24/48V DC           | IP - Code          | IP67       |
| Connection possibility | Weipu weiblich         | Length             | 5000 mm    |
| Protection class       | III                    | Material           | Kunststoff |

- 1 Rot / red / 24V DC-
- 2 Grün / green / 24V DC-
- 3 Blau / blue / 24V DC-
- 4 Schwarz / black / 24V DC+
- 5 Weiß / white / 24V DC-
